この度、ギャラリーヘプタゴンではリトアニアのテキスタイルアーティスト、
Laima Orzekauskiene、Monika Grasiene -Zalte、Lina Jonike の3人展を開催いたします。

リトアニアのビリニュス出身の Laima Orzekauskiene - Ore は、クラシックとアバンギャルドを組み合わせた独自の創作原理で知られています。彼女は、白黒の写真に刺繍を施したり、バルトのオーナメントを人物の顔や姿に重ねたりして、女性の存在や生命の価値、身体テーマを表現しています。彼女はヴィリニュス芸術アカデミーの教授で、リトアニア共和国芸術家連合のメンバーでもあり、日本・インド・オーストリア・デンマーク・イタリアなどの国で個展を開催しています。カウナス芸術ビエンナーレの委員会の一員でもあります。彼女は、国際テキスタイルビエンナーレでの賞を含む多数の賞を受賞し、国内外で高い評価を得ています。

Monika Grasiene-Zalte は、リトアニアのカウナスに拠点を置くテキスタイルアーティストで、Laima と同じくヴィリニュス芸術アカデミーで准教授をつとめ、独自の技法で布や糸を使って抽象的な作品を制作しています。彼女は、色彩や形、質感などを駆使して、自然や人間の感情を表現しています。彼女の作品は、テキスタイルアートの可能性を広げるものであるといえるでしょう。

彼女の作品は、リトアニアやヨーロッパの他の国で展示されたり、コレクションに収められたりしています。

Lina Jonike も同じくヴィリニュス芸術アカデミー准教授です。彼女は写真に刺繍を施した作品を制作し、写真の中の人物や風景に糸で色や形を加えることで、ユニークで新しい表現を生み出しています。彼女の作品は、リトアニアや日本などで展示されたり、本に収録されたりしています。2013年には Laima と共に京都・GALLERY GALLERYにて展覧会を開催しました。

西陣織や京友禅といったテキスタイルの歴史を持つ京都・西陣において、異なる文化を持つリトアニアのアーティストとの比較や対話を通じて、互いの共通項やテキスタイルアートの多様性や普遍性をあらためて発見し、相互に新たなインスピレーションを創出する機会となれば幸いです。

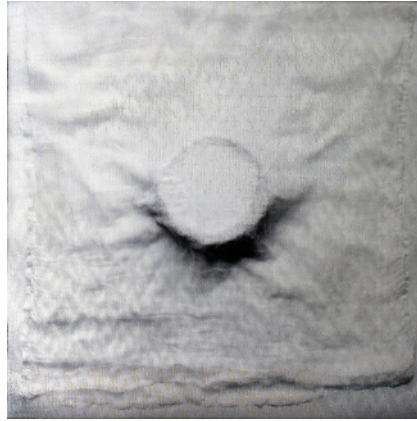

We are pleased to announce the exhibition of three Lithuanian textile artists, Laima Orzekauskiene, Monika Grasiene-Zalte, and Lina Jonike, at Gallery Heptagon.

Laima Orzekauskiene - Ore, born in Vilnius, Lithuania, is known for her unique creative principle of combining classical and avant-garde. She expresses the themes of women's existence, life value, and body by embroidering on black-and-white photographs or overlaying Baltic ornaments on people's faces and figures. She is a professor at the Vilnius Academy of Arts and a member of the Lithuanian Artists' Union. She has held solo exhibitions in countries such as Japan, India, Austria, Denmark, and Italy. She is also a member of the Kaunas Art Biennial Committee. She has won numerous awards, including the International Textile Biennial Award, and has received high acclaim both domestically and internationally. Monika Grasiene-Zalte is a textile artist based in Kaunas, Lithuania, who teaches as an associate professor at the Vilnius Academy of Arts, like Laima. She creates abstract works using fabric and thread with her own technique. She uses color, shape, texture, and other elements to express nature and human emotions. Her works can be said to expand the possibilities of textile art. Her works have been exhibited and collected in Lithuania and other European countries. Lina Jonike is also an associate professor at the Vilnius Academy of Arts. She makes works by embroidering on photographs, adding color and shape to the people and landscapes in the photos, creating a unique and new expression. Her works have been exhibited and published in Lithuania, Japan, and other countries. In 2013, she held an exhibition with Laima at GALLERY GALLERY in Kyoto.

In Kyoto's Nishijin district, which has a history of textiles such as Nishijin-ori and Kyo-yuzen, We hope that this will be an opportunity to rediscover the commonalities, diversity, and universality of textile art through comparison and dialogue with Lithuanian artists who have different cultures, and to create new inspiration for each other.
